1.6 **No precedent:** The Selectors and the Head Coaches have the power under these Regulations and the relevant Selection Policies to make objective and subjective assessments in making their decisions and to weight each assessment on a case-by-case basis, without in any way creating precedents relevant to future Nomination or Selection decisions.

1.7 **Format:** These Regulations contain some headings and text in italics. Any heading or text in italics is intended for the purpose of explanation and/or clarity and is not a binding part of these Regulations.
