

Addendum to the CRNZ 2022 Asia Pacific Cup Selection Policy (“[2022 Asia Pacific Cup](#)”)

Due to the extenuating circumstances surrounding COVID-19, CRNZ had initially decided not to send an Asia Pacific team to race in Komatsu, Japan.

After much deliberation and discussion with the Australian and Japanese Canoe federations, we were able to agree on a change of date for the event (29th September – 2nd October).

This change of date along with the New Zealand Government’s elimination of MIQ and easing of travel restrictions have allowed us to announce new plans and select a team to compete at the 2022 Asia Pacific Cup.

Please note that we will continue with our original plan to select athletes for the Asia Pacific campaign as set out in our original policy, however we will also take a travelling team consisting of the following Age Groups and team sizes:

- **U18** – Up to 6 WK athletes and up to 6 MK athletes
- **U21** – Up to 4 WK athletes and up to 4 MK athletes
- U16 Athletes will still be selected to the Asia Pacific Campaign and will take part in the published domestic camps and competition.
- We will **not** be sending a U16 team to Japan, however, U16 athletes that race in the U18 category at Nationals may eligible for nomination.

This addendum modifies, where relevant, the Asia Pacific Cup Selection Policy (see clauses 1.6, 3.2) It is to be read in conjunction with the published policy.
